SAYS IMMIGRANT
GIRL NEEDS HELP

State Crittenton Circle Head
Declares She is Big
Problem of Day.

If every woman in the United States interested in social welfare would take upon herself the task of looking after and being responsible for one immigrant girl entering our country much of the immorality of the present day would be eliminated, said Mrs. S. T. Stimson who spoke Wednesday afternoon before the Florence Crittenton circle at the home of Mrs. John B. Campbell, 1207 Riverside dr.

Mrs. Stimson, as state president of the Florence Crittenton circle at Terre Haute, has had wide experience in dealing with foreign girls and has devoted herself unselfishly to the work. Her general subject for the "day was," "The General Work of the State." She dwelt at some length on work of the circles. "Our biggest question today is the immigrant girl who is constantly coming to our shores and whose very ignorance of the customs and inability to speak the English language is too often the cause of her downfall.

Whether the home environment, the wrong starting in family life for girls, or the departure from strict religious practices or the lure of the money getting age was the direct cause of the immorality of the age, Mrs. Stimson said she did not know, but felt such conditions had some

effect on the feeling of dissatisfaction of women. It seemed to be Mrs. Stimson's belief that among foreign girls immorality is greater than in American girls.

Says Religion Misplaced.
Church people have a mistaken idea of religion, she said. They devote too much of their time and energies to suppers and money arrangements when they might be helping in the social welfare work, which she said is not strictly church work, but is certainly showing a brotherly feeling of which religion teaches.

Mrs. Stimson said statistics of the state of Indiana show that out of the population of 500,000 women only one out of every four is connected with a church; women interested in lodges rank next to churches in enrollment; the federated clubs have 22,000, and the Women's Christian Temperance unions 11,000.

In closing Mrs. Stimson made a strong plea for woman's franchise, not that women be placed on an equality with men to do their work but that they might be better able to assist. For, she said, "there are more good women than good men."

A social time with dainty refreshments served by the hostess followed the meeting. Miss Hazel Harris presided with a group of solos after which the officers and chairman of committees were entertained by Mrs. Stimson with an informal luncheon at the Lexington tea room. There were places for 18 guests.

In the evening Mrs. Stimson was honored with a musical at the home of Mrs. Robert Elbel, 428 S. Michigan st. A program for the evening consisted of violin numbers by Miss Wilma Shontz, accompanied by Mrs. Paul A. Henderson, and victrola selections.

FREE DENTAL WORK FOR
SCHOOL PUPILS PLAN

Agitation Begun for Establishment
of Clinic in High School
Building.

A plan to give free dental treatment to all school children is now under consideration by the St. Joseph County Dental association. At a recent meeting of the Visiting Nurse's association the plan was suggested and it was decided to take it up with the dentists. A large part of the membership was favorable to the plan and an agreement has almost been reached that if the board of education will equip a modern dental institution in the high school building work will be done free of charge.

It is proposed that each dentist in the association give one-half day each month to this work. There are 20 members in the association and this would give 10 full days of free service to the poor who cannot afford to have needed work.

The matter will probably be decided within the next two weeks.

STICKLEY'S SQUAD
MAKES NEW RECORD

Shoot Total of 310 With Officer
Rudynski Again Getting
Perfect Score.

Sergt. Stickley's squad took another leap ahead toward a record squad score when, in the police spring target shoot of Wednesday, a mark of 310 was made. This is a full-squad score, and is 20 points better than the mark made by Sergt. Barnhart's squad, next in line.

Besides the 310 count for Wednesday's report, Sergt. Stickley's squad holds a score of 266 for last week, when Sergt. Barnhart's men took the lead. Two men who were absent last Wednesday shoot yesterday, as the rules provide. Officer Peter Rudynski is not to be lost sight of, for the second consecutive time he hit the target for a perfect score of 50 Wednesday afternoon.

NEW CARLISLE ALUMNI
TO BANQUET FRIDAY

Over 200 Members Are Expected to
Attend—Clarence Taylor,
Toastmaster.

More than 200 members of the New Carlisle Alumni association will attend the 26th annual alumni banquet to be given at the high school building Friday evening. Clarence Taylor, attorney, will act as toastmaster and a number of toasts will be given by members of the association ranging from the first class 26 years ago up to the graduating class this year.

Each class of the past 26 years will be represented in an entertainment to be given in the high school auditorium following the banquet. Earl Rutherford and "Duke" Staples, both of South Bend, will represent the class of 1914 with some humorous numbers.

FIND MISSING RIG.

A horse and buggy belonging to Joe Bubinski, 1121 Napier av., was recovered by the police department at a late hour Wednesday night, after a report of its theft earlier in the evening. The outfit was stolen from Cherry st., where it had been left by the owner. Two boys, who had taken the rig for a joy ride, were caught by Officer DeLee and will be turned over to the juvenile officer.

SHEET ASPHALT
FOR MICHIGAN ST.

Indiana Av. to Get Asphaltic
Concrete Board
Decides

Asphaltic concrete was chosen as the material for paving Indiana av., and sheet asphalt for Michigan st., at the close of an all-day session of the board of public works, at 6 o'clock Wednesday night. Pres't E. M. Morris announced the board's decision after an exhaustive perusal of petitions from property owners. In neither instance was the board's desire to give the job to the lowest bidder thwarted.

Michigan st. will be paved by the Western Construction Co. of this city at a cost of \$85,383.28. The W. B. Brady Co. of Chicago will pave Indiana av., at a cost of \$57,577. It is expected work can be started within two weeks, said a representative of the Brady people Wednesday night.

Michigan st. work will be held up owing to the heating plant installation, but a conservative estimate of the time required for preparation for the excavating is given as four weeks.

Two Big Jobs.

The completing of preliminary arrangements by the board of works Wednesday means the starting in the very near future of two of the largest paving jobs done here in some time. Indiana av. will be paved practically the full length of the city across the southern section. Michigan st., badly in need of care, will be paved from LaSalle av. south to South st.

Attorneys and representatives of paving companies and property owners thronged the offices of the board until a late hour Wednesday. Some difficulty was experienced through the names on petitions for a kind of paving not picked by the board when it made its preliminary award 10 days ago. There was some sentiment for brick on Michigan st., but the petitions were held insufficient. Asphaltic concrete and sheet asphalt were favored for the Indiana av. work, but the board found the representation insufficient.

LODGE NOTES

Organization of a council to be known as South Bend council, No. 570, Yeomen of America, took place last night at Beyer hall when the first, second, and third degree work was conferred upon 75 candidates who will form the charter membership of the organization. The work of organization has been conducted by H. E. Kent of the Yeoman order.

Officers were elected for the ensuing year as follows: Claude Holden, president; Otto Butts, past president; Mrs. Neta Butts, vice president; Clara Wader, chaplain; John Baber, chancellor; Eva Robinson, vice chancellor; Samuel Grove, secretary-treasurer; Weland Wader, guide; Mrs. Funk, guard; Floyd Meiser, sentinel; Augusta Dice, William Robinson and Floyd Funk, trustees.

D. E. Canty, national vice president and John Auerhner, national secretary, were present and made a few remarks. The next meeting of the council will be held May 3, at Beyer hall when further work of organization will take place.

Second and third degree work was conferred upon a class of 10 candidates last night at the regular meeting of South Bend camp, No. 29, Odd Fellows, at their hall by the Berrien Springs degree team. The candidates were from the Abraham Lincoln and Berrien Springs camps.

Members of the St. Joseph Valley live, No. 900, Lady Macabees, with their drill team, gave the Live Oak grove, No. 1, Woodmen circle, a surprise last night following their meeting at W. O. W. hall. An exhibition drill was given and a social session was enjoyed by the two lodges. During the business meeting of the grove three candidates were initiated and six applications were received and balloted upon. Refreshments were served following the meeting.

S. S. SUPERINTENDENT
IS GIVEN PRESENT

J. W. Rendall, superintendent of the Quincy Street Baptist church Sunday school, who has been in Cleveland, O., for the past few weeks recovering from an illness, met a surprise last night following the prayer meeting services at the church. He was presented with a pair of gold cuff links by the church for his work during the past few years as superintendent. A number of short talks and musical selections were given during the meeting. Refreshments were served following the social session.

SENIOR BANQUET TO
BE HELD AT OLIVER

Annual Function Set for Tuesday
Evening, May 11, at
6 O'clock.

For once, at least, in many a past graduating class' history the junior-senior banquet will be held in the Oliver hotel this year on Thursday evening, May 11, at 6:30 o'clock.

From the beginning of the discussion for this year's leading society event, the faculty has been against the Oliver, almost petitioning the students to hold the spread in the high school cafeteria. After a vote was held more than half of the senior and junior classes combined were in favor of the Oliver. When the date was set at the last senior meeting, Carl Prell, president of the senior class, appointed the following committees to attend to the affair:

Committee for negotiation with Oliver hotel—Bernard Keltner, '16, chairman; Dorothy McCance, '17; Mariette Hull, '17; Doreen Arny Yengley, '16; Elsa Lippincott, '17. Tickets—Agnes White, '16, chairman; Richard White, '17; Agatha Clark, '17. Entertainment—Edith Emmons, '16, chairman; Katherine Cole, '17; Harlow Lippincott, '17. Music—Katherine Guthrie, '16, chairman; Bernice Shirk '16; Frances Sallinger, '17.

The affair was formerly an annual social event and as it was the leading society event of a student's high school days it was always planned for days ahead. The program will consist of a banquet to be held in the tapestry room, beginning at 6 o'clock, followed by a dance which will begin at 9 o'clock. Plates will sell at \$1. Each girl is expected to pay her dining fees, so that the event will resemble a "Dutch" treat.

WILLIAM OSBORN
DENIES HE FAILED

Takes Exception to Claim in Story
of Lakeville Woman Who
Claims Heirship.

Exception was taken by William Osborn to the statement that he had failed in business, made in the story of the claim of Mrs. Merle Osborn to the estate of the late Mrs. Taagte Scheutler of Chicago, which appeared in The News-Times Wednesday.

Mr. Osborn declares that his general store business, which was incorporated under the name of The Osborn Co., was sold to William D. Labadie and others Jan. 6, 1916, who a short time later sold the business to a party unknown to Osborn. The business has since been discontinued. Since the sale of his business Mr. Osborn has been working in Chicago. He asserts the purchaser of his business assumed all the liabilities with the assets.

The information contained in the first story was given to The News-Times by what was considered to be competent authority and this statement is made in justice to Mr. Osborn.

DANGERS OF DRAFT.

Drafts feel best when we are hot and perspiring, just when they are most dangerous, and the result is Neuralgia, Stiff Neck, Sore Muscles or sometimes an attack of Rheumatism. In such cases apply Sloan's Liniment. It stimulates circulation to the sore and painful part. The blood flows freely and in a short time the stiffness and pain leaves. Those suffering from Neuralgia or Neuritic Headache will find one or two applications of Sloan's Liniment will give grateful relief. The agonizing pain gives way to a tingling sensation of comfort and warmth and quiet rest and sleep is possible. Good for Neuritis too. Price 25c at your Druggist.—Advt.

Cocoanut Oil Fine
For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain multifine cocoanut oil (which is pure and entirely greaseless), is much better than the most expensive soap or any other else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get multifine cocoanut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.—Advt.
